AH&T's Annual Charity Golf Tournament Raises Over \$20,000 For Northwest Harvest

Seattle, WA – November 12, 2009 – The fourth Annual Charity Golf Tournament of AH&T's Seattle office was a huge success this year. The event took place on September 21, 2009 at the Fairwood Golf and Country Club and raised \$20,102 for Northwest Harvest.

The beneficiary for this year's event, Northwest Harvest, fights our statewide hunger through food banks and meal programs. Together their partners provide half a million food services each month in their communities. More than 50% of those they serve are children and the elderly—the populations most affected by a compromised diet. They know that nutrition matters, and are committed to providing the freshest, most beneficial food possible to our clients. They rely on your donations. All of the food and funds come from individuals, businesses, foundations and other organizations, and 93 percent of their total budget goes to food distribution. They can feed a family of 3 one nutritious meal for just \$0.67.

Steve Uno, AH&T Principal, commented, "Everyday we strive to deliver heroic service to our clients and community. We are pleased to donate the profits from this event to Northwest Harvest so that they may expand their programs."
