

from down the street, to around the globe... Protecting What Matters Most

WHO WE ARE

Offering the full spectrum of insurance products and the expertise to obtain the best value and coverage for your needs, AHT's Private Client Specialists are:

CLIENT-DRIVEN INNOVATORS

believing there is no off-the-shelf solution to fit everyone's unique needs

RELATIONSHIP BUILDERS

taking time to get to know every client and carefully communicating with underwriters to ensure a complete and accurate picture

SERVICE LEADERS

priding ourselves on the white-glove, personal service our teams provide

MORE THAN A BROKER

taking a consultative and educational approach to managing private clients' insurance needs

When you've invested a lifetime developing and acquiring your possessions, choosing the right agent and organization to protect those interests is essential.

Our priority will always be our clients – protecting them, their assets and their future when the worst-case scenario arises.

WHY
WE DO
WHAT WE DO

WHAT WE DO

Our professionals have extensive knowledge in building unique policies and packages that can close coverage gaps and protect your exposures.

PRIVATE CLIENT SERVICES

Risk management goes beyond available insurance protection, and our experienced team can help reduce costs and the possibility of loss by:

- ✓ Conducting a thorough review of your assets and insurance needs
- ✓ Providing ongoing education and suggestions for managing the risks you face
- ✓ Conducting thorough due diligence before marketing your needs to underwriters and negotiate until you have the most beneficial coverage available
- ✓ Helping to protect what matters most:
Dependents, domestic employees, homes with custom features, antique or luxury automobiles, watercraft, aircraft, jet skis, recreational vehicles and more
