

PROPERTY AND CASUALTY

from down the street, to around the globe... **Protecting What Matters Most**

WHO WE ARE

Designing and implementing insurance coverage plans and risk management controls for various industries and organizations of all sizes, AHT's Property and Casualty professionals are:

CLIENT-DRIVEN INNOVATORS

believing there is no off-the-shelf solution to fit every organization's unique needs

RELATIONSHIP BUILDERS

gaining the attention of senior management at every major insurer and maintaining personal relationships with policy makers at those companies

MORE THAN A BROKER

taking a consultative approach to managing clients' risk exposures

SERVICE LEADERS

serving as an extension of every client's team to provide unmatched value and expertise

The world is changing – presenting new opportunities and challenges from day to day. The loss of a critical asset, or potential liability exposures, can cause significant loss of income – even forcing you to close your doors.

WITH STAKES THIS HIGH, IT IS ESSENTIAL TO IMPLEMENT THE RIGHT MIX OF INSURANCE COVERAGE AND RISK MANAGEMENT CONTROLS.

WHY WE DO WHAT WE DO

SERVE AS YOUR RISK MANAGEMENT TEAM

Our professionals provide timely information, helpful guidelines and effective, automated tools to minimize and control your risks at all times — just as if you had a full-time, internal employee providing you guidance.

WHAT WE DO

INNOVATE TIRELESSLY

We believe there is no one solution that will fit every client's unique needs. We've designed and placed complex programs across all our areas of specialization.

OFFER EXPERTISE FOR A WIDE RANGE OF INDUSTRIES:

Financial Institutions

Life Sciences

Real Estate

International Aid Organizations/NGO

HOW WE DO IT

- ✓ **DESIGN CUSTOMIZED SOLUTIONS:** We analyze your legal obligations, government regulations, lender and customer requirements and the insurance and risk financing options available.
- ✓ **UTILIZE STRATEGIC PARTNERSHIPS:** Access elite brokers, lawyers, accountants and consultants throughout the world, and utilize our affiliations with the Worldwide Broker Network, RiskProNet, TechAssure and The Council of Insurance Agents & Brokers.
- ✓ **DRIVE EXPERIENCE-BASED RESULTS:** Our model is based on years of experience and results in better coverage, pricing and claims outcomes and less time working with inexperienced brokers.
- ✓ **PROVIDE DATA & BENCHMARKING:** We provide industry-leading data and benchmarks - get information you need 24/7 online, via phone or in person with your broker.
