YOUR JOURNEY TO ENROLLMENT

OPEN ENROLLMENT

All employees must re-elect benefits for the upcoming year.

MID-YEAR CHANGES

Once Open Enrollment ends, the only time you are allowed to make changes to your benefits elections in the middle of the year is if you experience a qualified mid-year change. Examples may include :

- gaining or losing coverage

You must notify Human Resources within 30 days of the mid-year event to be eligible to change your elections.

INSURANCE IS COMPLICATED.

- Assistance with benefits and coverage questions
- Support with billing issues, claims, and appeals

[Search for a doctor.](#)

Is your doctor or hospital in your plan's Cigna network? Cigna's online directory makes it easy to find who (or what) you're looking for.

SEARCH YOUR PLAN'S NETWORK IN FOUR SIMPLE STEPS

Step 1

Go to **Cigna.com**, and click on "Find a Doctor" at the top of the screen. Then, under "How are you Covered?" select "Employer or School."

(If you're already a Cigna customer, log in to **myCigna.com** or the myCigna® app to search your current plan's network. To search other networks, use the **Cigna.com** directory.)

Step 2

Change the geographic location to the city/state or zip code you want to search. Select the search type and enter a name, specialty or other search term. Click on one of our suggestions or the magnifying glass icon to see your results.

Step 3

Answer any clarifying questions, and then verify where you live (as that will determine the networks available).

Step 4

Optional: Select one of the plans offered by your employer during open enrollment.

That's it! You can also refine your search results by distance, years in practice, specialty, languages spoken and more.
